

B & B Mini Schnauzers Deposit Agreement

Gender of Puppy: _____

Color of Puppy: _____

A deposit in the amount of \$300.00 is required to hold the puppy of your choice. It is acceptable to pay the initial deposit in the form of a personal check. The outstanding balance must be paid in CASH at the time of pick up or by six weeks of age if being shipped. We do not accept checks for final payment unless that payment is made by five weeks of age, to give the check time to clear the bank before the puppy is picked up. This is not a reflection on you personally, but to protect us from those who are not so honest.

It is mutually agreed by both parties that the puppy may be picked up no sooner than seven weeks if a puppy is being picked up at our home. Puppies being shipped can be shipped after the puppy is eight weeks old.

There is an additional charge of \$300.00 for shipping in the USA. For shipping internationally shipping is figured on a case by case basis. This includes the airfare, health certificate, puppy travel crate (which is yours to keep) and travel to and from the airport.

There are no refunds on deposits. The deposit signifies intent on behalf of the purchaser to follow through with the purchase transaction of the puppy. If a puppy is not available in the color or gender you prefer we will gladly apply this deposit to a puppy in a future litter.

Seller reserves the right to void this transaction if some tragic accident would occur and the puppy would die before it goes home. **If there is not a suitable replacement puppy within six months of the initial date of intended homecoming** then you would be given the opportunity for a full refund of your deposit.
